PART 1 Reading comprehension

1 – Leggi la lettera e decidi se le frasi sono vere o false.

Dear Michael,

I am writing to ask you if you'd like to come to Britain this summer. My aunt and uncle live near Glastonbury in Somerset where every year there is a big music festival which lasts three days. They don't like it because about eight thousand people go (in fact it's the biggest pop festival in Britain) so this year they are going on a trip to Scotland for that week. They don't want to leave their house empty, so I and my friends are going to look after it for them. Would you like to come with us? We are going to stay in a youth hostel in London on the 21st of June.

By the way, remember that to stay in a youth hostel you must have a Youth Hostel Card - you can't stay in a hostel without one! On the 22nd or the 23rd we are going by train and by bus to the village where my aunt lives. There's a good train at 10:15 a.m. It takes about four hours from London. Luckily the bus stop isn't far from the house - only about one mile which we will have to walk. I'm not sure who is playing at the festival this year, but last year Sting, Oasis and Bon Jovi were there. So you must come! Let me know as soon as possible because you have to book both the festival and the youth hostel in advance.

Well, I hope to see you in June. My parents send their regards.

Cheers!

Dave
